

When shopping for your trip, our goal is to welcome you to the Bella Vista with a refrigerator full of your favorite foods. In order for that to happen, we need you to be specific (brands, quantity, sizes) while filling out the following form or generating a list of your own. For instance, if a store is missing your item, is a more generic substitution acceptable? Do you choose organic whenever possible? The more preferences you give us, the better! If ordering a wine, please specify the winery, varietal, vintage –or you can simply give us the varietal and the price range, and we will use our discerning judgment. We add \$50 per list on to final invoice for our time to go grocery shopping and stock the fridges (2-3 hours).

Deadlines and Arrival Times:

We ask that you place your order **at least 2 days in advance** of your estimated arrival time. Feel free to make a shopping order in your own format if the one below is too detailed. ***Please allow 2 weeks in advance for kegs, as they may need to be special ordered.*
